# ABOUT US

Tianz Instant Food Co., Ltd., an eminent subsidiary of the Tianz Group Co., Ltd., excels in creating top-tier instant food products. Each item in our extensive product line has been awarded the ISO 22000 Food Safety Management certification, a testament to our unwavering commitment to the highest global food safety and quality standards. This prestigious certification ensures that our offerings not only meet but exceed stringent international requirements, reflecting our dedication to excellence.

Our strategic approach is multifaceted, focusing primarily on rapid expansion into new markets, sustaining unparalleled standards of product quality, and cultivating lasting relationships with our customers through exceptional service and comprehensive after-sales support.
